## vival! ...an exclamation, expression, or cheer that means... long live!

Ever wonder how certain quartets come together? Viva! was not by chance, but by divine forces that began around tragedy, yet bloomed into a deep, shared connection based in faith and hope. Our two angels, Christal and Jeff, are with us in everything we do, everything we sing, and all we aspire to become. Our guiding lights have brought strength, love, grace and growth to each of us, and have been the compass guiding our joy-filled musical journey. We wouldn't exist without the love and support of our families, friends, choruses and regions. Thank you to our chorus families – Carolina Harmony, Harborlites, and Toast of Tampa Show – and regions 9, 10, 14, and 21 for being our anchors of loving support! We are forever grateful. Instrumental in our musical growth are Betty Clipman, Tony De Rosa, Judy Poszgay, Steve Tramack, Sharon Babb, Beth Perdomo, and the late Carole Persinger, another angel. Your vision and the gift of your time and wisdom have so enriched our endeavor. We thank our beautiful families - Tom, Jeff, Lola, Cathy, Lois, Kylie, Joannie, Criss, Bonnie and Terry. We couldn't do this without the complete support and unending love you give to us. We hope you enjoy this recording, made in the spirit of VIVA!
